

BUREAU OF INDIAN STANDARDS

Press Note No: G/33 /2013-14

18 Dec 2013

BIS Granted Accreditation for Quality Management Systems 9 as per IS/ISO 9001:2008 and Environmental Management Systems (as per IS/ISO 14001:2004)

Shri Sunil Soni, IAS, Director General , Bureau of Indian Standards received the accreditation certificate from Shri Anil Jauhri, CEO, National Accreditation Board for Certification Body, Quality Council of India during the award function held on 18 December 2013 at New Delhi.

Bureau of Indian Standards (BIS), has been granted accreditation for its Quality Management Systems 9 as per IS/ISO 9001:2008) and Environmental Management Systems(as per IS/ISO 14001:2004) activities from National Accreditation Board for Certification Bodies (NABCB), Quality Council of India. Accreditation by NABCB is a third party confirmation of the competence, consistency and impartiality of the audit and certification of the BIS activities of Quality Management Systems and Environmental Management Systems, as per the International Standard, ISO 17021:2011. NABCB is a member of International Accreditation Forum (IAF) and Pacific Accreditation Cooperation (PAC) as well as signatories to its Multi Lateral agreements (MLAs) for Quality Management Systems and Environmental Management Systems.

Bureau of Indian Standards is committed to offer Management Systems Certification Presently in the field of Quality Management Systems (IS/ISO 9001:2008), Environment management Systems(IS/ISO 14001:2004), Food Safety Management Systems (IS/ISO 22000:2005), Energy Management Systems(IS/ISO 50001:2011),Hazard Analysis & Critical Control Point (IS 15000:1993), Occupational Health and Safety Management Systems(IS 18001:2007) and Service Quality Management Systems(IS 15700:2005) to all organizations, irrespective of size and affiliation within the country and to other countries depending upon the relations, agreement and feasibility of operations. Some of our few prestigious clients include Central Board of Direct Taxes, Central Board of Excise & Customs, Indian Council of Agricultural Research, Ministry of Steel, Ministry of Defence, Ministry of Railways, IOCL, HAL., NTPC, BSNL, ACC, Apollo Hospital etc.

BIS certification against Management Systems aims at enhanced marketing opportunities with exposure to wider market and rights to use BIS logo. The main stay of BIS Management Systems Certification is the quality, wide experience and diversity of auditors. The competence of auditors is essential for the efficient and objective

assessment of any Management systems. BIS has got a pool of more than 250 qualified, trained and experience auditors and experts including 90 lead auditors in various disciplines.
