

BUREAU OF INDIAN STANDARDS  
(Central Marks Department II)

Our Ref.:CMD II/16:14543

2001 08 22

Various queries are being received in CMD-II for reporting Hygienic Conditions at licensees premises for Packaged Drinking Water and Packaged Natural Mineral Water.

In the above context CMD has already circulated guidelines for reporting Hygienic conditions in water processing unit dated 2 March 2001. Since Packaged Drinking Water and Packaged Natural Mineral Water are under mandatory certification and being the food items, it has been felt that no relaxation should be permitted in reporting Hygienic Conditions and circular dated 2 March 2001 may be adhered to. Further medical examination report for the new employees may also be collected during the periodic inspection.
