Kindly refer your letter No.TB/Min/Water Policy dated 25 January 2002. In this connection we have earlier written to Ministry of Health and Family Welfare for use of the word `Purified` in place of `Pure` on the label of Packaged Drinking water. The reply received from them is reproduced below for your information and taking necessary action please.

“The word `Pure`/^`Purified` means the same thing. Therefore, it is not possible to agree to such term on the label of Packaged Drinking Water”.
