Significance:

This training programme is open for Technical Committee Members (Principal and Alternate members only) and will be mandatory for new members before they are allowed to attend the technical committee meetings and those old members who have not attended such training programmes earlier.

The training imparted will be entirely free of cost (no participation/registration fee) Further, the following category of Technical Committee members (principal and Alternate members only) shall be entitled for assistance under the plan funds:

- Representatives of Universities/academic institutes,
- Government nominees.
- Representatives of consumer organizations,
- Representatives of industry associations,
- Persons in individual capacity.

The above training will help the Members in making effecting contributions in Technical Committee work. A certificate of attendance will be given to all participants.
