Dear Sir/Madam,

Kind Attn : Quality Manager/ Technical Manager/ Laboratory Personnel/Internal Auditors

As you are already aware, in the *global* scenario of Conformity Assessment, Accreditation is playing important role in facilitating trade and commerce within and between all countries of the world. Accreditation bridges the gap in the testing capacity between different countries and help in bridging the trade barrier. It advances the national economy, benefit the health, safety and welfare of the public, and assist and protect consumers. The requirements of Accreditation of Laboratories in every country require all the laboratories undergoing accreditation to report the results that are comparable and are acceptable. This is to say - 'tested once, accepted everywhere'.

Bureau of Indian Standards (BIS) is the National Standard Body of India charged with the responsibility of capacity building in the nation by way of providing quality training to industries, corporates, consumers and other stakeholders through its training wing that is **National Institute of Training for Standardization (NITS)** located at **Noida**. Among the gamut of training programme we have training programme on Laboratory Quality Management System and Internal Audit as per ISO/IEC/IS 17025:2017 which fulfils the need for laboratories seeking accreditation to NABL. We have been conducting the said training programme through class room sessions. However, **due to present condition of COVID-19 outbreak and Government guidelines**, it will not be possible for us to conduct the conventional class room training. Besides the instructions of Govt, of India on social distancing also need to be adhered to. However, keeping in view the request from laboratories across India, it has been considered prudent to conduct the **4-day Training Programme on " Laboratory Quality Management System and Internal Audit as per IS/ISO/IEC 17025:2017 " ONLINE** during **21-24 June 2021**. Certificate of participation would also be provided.

The course shall cover:

- a) An understanding of IS/ISO/IEC 17025: 2017. Workshop(s)/Exercise (s) and case studies are special features.
- b) Developing and understanding on quality system documentation for the testing and calibration Laboratories. It would include training on developing quality manual and procedures etc.
- c) Techniques of conducting Internal Audit and reporting of the internal audit findings.
- d) Management review and its contents.

On completion, participants will be able to:

- a) Establish an internal audit programme as required in NABL Criteria
- b) Schedule, plan, conduct, report on lab internal audits (including the documentation required)
- c) Identify effective auditing techniques
- d) Develop and implement a quality system, **compatible with IS/ISO/IEC 17025: 2017.**

You are requested to nominate your Laboratory Personnel/Internal Auditors for the above programme. The Training Programme is designed for 20-25 participants; therefore, seats would be available for those registering with payment in chronological order.

Limited seats are available and shall be offered on first come first served basis.
